

**SURREY POLICE AND CRIME COMMISSIONER  
ELECTION 6 MAY 2021**

# **RE-ELECT DAVID MUNRO**

- Keep Surrey Police out of party politics
- More police officers
- Better crime prevention
- More crimes solved

**Protecting  
Surrey People**

## CORONAVIRUS: THANKS TO SURREY RESIDENTS FOR BATTLING THE DISEASE

People in Surrey have been fantastic during this dreadful time. The lockdown rules have hit so many people really hard - those in care homes and their relatives, people not able to meet family and friends, children not going to school, too many workers being furloughed - and many others. Thank goodness it seems that life is gradually returning to normal.

Surrey Police have been out and about with the 4Es - engaging, explaining, encouraging - but as a last resort - enforcing.

David said: *'The vast majority of our residents have behaved wonderfully, with an awesome community spirit. But there's always a small minority who think the rules are not for them - and the police have cracked down on them where necessary.'*

## MESSAGE TO SURREY VOTERS

Dear Voter,

On 6 May you will have the opportunity to elect the Police and Crime Commissioner for the next three years.

Surrey Police has **improved significantly in the last five years**, cracking down on crime, getting out there in our communities and, in the face of savage government cuts, making sure that you live in a very safe county.

But there's always more to do. I will work tirelessly with the Chief Constable and everyone in the force to make Surrey Police the **Outstanding** service that I know it can be.

Please vote for me to **keep party politics out of policing**, and ensure that all Surrey residents get an equal voice. I'd love you to get in touch to tell me what you think about policing in Surrey, and how together we can help make our county a safer place.

*David Norris*

## DAVID MUNRO - YOUR INDEPENDENT SURREY POLICE AND CRIME COMMISSIONER

- Over 30 years as a Surrey resident, living near Farnham.
- Career as an Army Officer (Royal Engineers).
- 20+ years as a Councillor at Surrey and Waverley Councils, helping thousands of residents.
- Senior Executive roles at Surrey County Council, including 2 years as Chairman.
- Governor of 4 Surrey schools.
- Surrey Police and Crime Commissioner since May 2016.

### WHAT DOES A POLICE AND CRIME COMMISSIONER DO?

As an elected representative of all residents - of all political colours and none - I have the following responsibilities:

- Establish Surrey Police's priorities through my Police and Crime Plan.
- Set the police precept - the amount that all council taxpayers pay annually to help pay for Surrey Police.
- Set the force's budget - £261m this year.
- Appoint the Chief Constable.
- Above all, to hold the police to account on behalf of you, Surrey residents.

#### REVERSING THE CUTS

The government's pledge to recruit more police officers is welcome - but, after years of cuts, it only brings the force back to where it was a decade ago. More officers and front-line staff are still needed to repair the damage and I will fight for Surrey to get its fair share of government funding.

*David Munro*

### 2016 - 2021 A RECORD OF ACHIEVEMENT

- ✓ Over 340 more officers and front-line staff in the last two years, helping to reverse the cuts of the last decade.
- ✓ 'Outstanding' grading by the national inspectors for crime prevention and tackling anti-social behaviour.
- ✓ Rated 'Good' overall - from 'Inadequate' and 'Requires Improvement' when I arrived.
- ✓ More visibility in our communities, to tackle crime and make our communities safer.
- ✓ More funds to help victims, prevent crime and reduce re-offending.
- ✓ More joined-up work with councils and charities to reduce criminality.
- ✓ 101 police contact line now faster and slicker.
- ✓ Volunteers such as neighbourhood watch, police cadets, community speed watch and many others given greater roles.
- ✓ A more diverse force - helping all our Communities.

# MY PRIORITIES FOR THE FUTURE

## I want to do more:

- Put more officers on our streets and communities, both rural and urban, to strike fear into criminals.
- Improve the crime-solving rate - criminals mustn't get away with it.
- With greater police powers on their way, to confront lawlessness such as in some unauthorised encampments.
- Better enforcement to make our roads safer and crack down on dangerous parking.
- A focus on criminal justice to up convictions, bring offenders to justice more quickly and help victims.
- A clamp-down on drug dealing and drug use and the crimes that go with them.
- Better work to prevent fraud and cyber-crime.
- Closer links with businesses, large and small.
- Forge ahead with our green agenda, and become carbon-neutral by 2030.
